

EMPLOYER SATISFACTION AND STAKEHOLDER INVOLVEMENT (Initial and Advanced Programs)

American College of Education (ACE) conducts an employer survey every two years; the last year was in 2022. For 2024, the Employer Satisfaction for all programs at ACE has been sent. Once the results from the survey are collected, analyzed, they are shared with the Initial and Advanced Program Advisory Boards to discuss results as well as determine next steps for programmatic improvement based on the data. These results will be included as part of the 2024
